

# Heart of Matters

Ben Harper

I've heard all of your parting lines  
Can only say goodbye so many times  
Before you know you have nothing to show for your pain  
Sorry is a word you just can't seem to find  
Does it ever enter your mind?  
I am in doubt that you are about to change

Now if your heart, your heart isn't in it  
If your heart, your heart isn't it it  
If you have nothing left to give, won't you go on and let me live again?

You can't just say 'I love you'  
You have to live 'I love you'  
I will forgive every time but the last

If your heart, your heart isn't in it  
If your heart, your heart isn't it it  
If you have nothing left to give, won't you just go on and let me live?

I wish I could find a way to sing the life back into you and I  
But now I am afraid that it is just too late to lie
