

# How Many Miles Must We March

Ben Harper

Exactly how much will have to burn  
Before we will look to the past to learn  
We walk along this endless path  
Which has led us in a circle  
So here we are right back  
We can't let the future become our past  
If we are to change the world  
Won't you tell me  
Tell me please  
How many miles must we march  
How many miles must we march

When I was a baby I was not prejudiced  
Hey how about you  
This was something  
That I learned in school  
Something they taught us to do  
We can't let our future become our past  
If we are to change the world  
Won't you tell me  
Tell me please  
How many miles must we march  
How many miles must we march

There must come a day  
When a box is not somebody's home  
The unfinished work of our heroes  
Must truly be our own  
We can't let the future become our past  
If we are to change the world  
Won't you tell me  
Tell me please  
How many miles must we march  
How many miles must we march  
How many miles must we march  
How many miles must we march  
How many miles must we march  
How many miles must we march
