

I Will Not Be Broken

Ben Harper

1. Give & you give & you give till its gone
Then the people you fight hardest for say your wrong
Before me flash all of my memories & days
So dont stand insincere at the side of my grave

R: I will not be broken
I won't be turned away
When its to cold to breathe & to dark to pray
I will not be broken

2. I go to far then I go further still
Time starts to collapse leaves a void none can fill
Nothing you can say to hurt me with your forked tongue
Through blood shot eyes I watch the world come undone

R: I will not be broken
I won't be turned away
When its to cold to breathe & to dark to pray
I come to far to give up or to be turned around
I will not be broken
I will not go down
