

In The Colors

Ben Harper

When your whole world is shaken
from all the risks we have taken

Dance with me
dance with me
into the colors of the dust

When you have awoken
from all the dreams broken
come and dance with me...

The paths we're walking on
they crumble behind us
but if we leave now
they will never.. they will never find us

If this crazy world spins itself
down to the dust
I wanna be with you ...
I wanna be with you ... colors

You again start hoping
with your arms wide open
come on dance with me...

When all will be right
dancing like water in the light
oh dance with me...
