

# Show Me A Little Shame

Ben Harper

You, youve been looking at me just a little too long  
now I can never look the same  
Blindness and kindness, theres no difference in the two  
when I can no longer see the good in you

So wont you show me a little shaaaaame  
Wont you show me a little shaaaaaame

Now cause Im, Im a gentleman, lookin for a gentlewomen  
so-called ladies keep breakin my heart  
Show me a house, show me a home  
show me how it could all fall apart

So wont you show me a little shaaaaame  
Wont you show me a little shaaaaaame  
Wont you show me a little shaaaaaame

cause now I wake up in the morning more tired than before I slept  
I get through crying and Im sadder then before I wept  
I get through thinking and the thoughts have left my head  
I get through speaking and I cant remember not a word that I said

You change your mind so many times  
I wonder if you have a mind at all  
And Id rather be by myself  
than to have your lonesome company come to call

So wont you show me a little shaaaaame  
Wont you show me a little shaaaaaame  
Wont you show me a little shaaaaaame  
(Fade Out....)Wont you show me a little shaaaaaame
