## **Whipping Boy**

Well you can need me Well I want you to And you can feed me How I like that too But don't you lead me I won't follow you Listen here I don't fear I don't want to be your Whipping boy

You can tease me How I want you to And you can squeeze me Baby I like that too But don't you lead me I won't follow you Listen here I don't fear I don't want to be your Whipping boy

You can hold me Baby I want you to And you can scold me Yes I like that too But don't you lead me I won't follow you Listen here I don't fear I don't want to be your Whipping boy

Well you can need me Well I want you to And you can feed me Baby I like that too But don't you lead me I won't follow you Listen here I don't fear I don't want to be your Whipping boy **Ben Harper**
