

You Found Another Lover (I Lost Another Friend)

Ben Harper

I sit here in a daze
Wishing I could change my ways
And let's not pretend it isn't what it is
It's time we both go on and live

We've been living like it's raining
When it's just been pouring down sun
We've been living as if life is over
When it has only just begun

I may lie to my heart
But my heart never lies to me
I'm defenseless
Repentless
And there is nothing I can do to prevent this

You found another lover
And I lost another friend
