

# All Down the Mines

Ben Howard

All down the mines  
All down the mines  
All down the mines  
All down the mines  
Time to hole back inside

All down the mines  
All down the mines  
All down the mines  
All down the mines

There's nothing there for me  
Ain't nothing in this world that ain't me and you and ours and  
theirs and his and hers and yours and mine
