

Ex-Sensitive

Ben Jelen

Ex-

sensitive boy, did you drown in all the lights and the noise?

Ex-sensitive girl, are you racing to keep up with the world?

It's not your fault the game is rigged

So start to draw your plans with twigs, oh yeah

Yes, you're sensitive, quite expensive your life's become

Yes, you're beautiful, indisputable, in place of fun

Ex-sensitive soul, don't you think its time you break from the mold?

It's not what it seems, life is bigger when it's up on a screen

It's not your fault they made you beg

To be a billboard on two legs, oh no

Yes, you're sensitive, quite expensive your life's become

Yes, you're beautiful, indisputable, in place of fun

Yes, you're glorious, quite luxurious, rather numb

Lonely gadgets and brands and badges, I guess you've won

So shut it down, call out the clowns around and now

We'll come to town

We'll add a message to our name

And we know you're not the same

Yes, you're sensitive, quite expensive your life's become

Yes, you're beautiful, indisputable, in place of fun

Yes, you're glorious, quite luxurious, rather numb

Lonely gadgets and brands and badges, I guess you've won
