

## Eulogy

Ben Kenney

If I die from  
Something so much less than smart  
Know you've always held my heart  
Even if we're torn apart  
If I leave you  
Underdone and underwhelmed  
Just remember how it felt  
Try to think of how it felt

I want my eulogy to say  
He was the kind of friend that no one could replace  
And I want my family to know,  
That I love them more than words will ever show

If I miss my  
Chance to make things right with you  
Know how much I want it too  
Know how much I need it too  
Maybe someday  
We'll look back at this and laugh  
Maybe this is all we have  
Maybe this is all we have
