Eulogy

Ben Kenney

If I die from Something so much less than smart Know youOve always held my heart Even if weOre torn apart If I leave you Underdone and under whelmed Just remember how it felt Try to think of how it felt

I want my eulogy to say He was the kind of friend that no one could replace And I want my family to know, That I love them more than words will ever show

If I miss my Chance to make things right with you Know how much I want it too Know how much I need it too Maybe someday WeOll look back at this and laugh Maybe this is all we have Maybe this is all we have
