

Falling

Ben Kweller

Wind is cold alright back in Dallas. The neon light from the building
lets
you know you're home.
You'd go way back when if you wanted to be my friend or you'd call me
. I'd
understand, it's true.

I don't feel like I'm falling.
No, I don't feel like I'm falling.
No, I don't feel like I'm falling down.
Just say "hello" to the ground.

Ba ba ba ba ba ba

Wait there, I'll be right back. Down in Times Square it's a heart attack.
All the feeling makes you feel so new.
Trees fall and so do men. Even the walls start caving in and you feel
like
there's no pretend for you.

BUT I don't feel like I'm falling.
No, I don't feel like I'm falling.
No, I don't feel like I'm falling down.
Just say "hello" to the ground.

We could talk if days weren't so fast,
and mistakes just leave it so unsure.
Wanna hold you like never before
'case we're falling and I love you more and more.

Do you feel like you're falling down?
Do you feel like you're falling down?
I don't feel like I'm falling-falling-falling down.

I don't feel like I'm falling.
No, I don't feel like I'm falling.
No, I don't feel like I'm falling down.
Just say "hello" to the ground.

Ba ba ba ba ba ba

Do you feel like you're falling down?
Do you feel like you're falling down?
I don't feel like I'm falling-falling-falling down.
Just say "hello" to the ground.

I don't feel like I'm falling.
No, I don't feel like I'm falling.
No, I don't feel like I'm falling down.
Just say "hello" to the ground.
