

I Don't Know Why

Ben Kweller

Check me out.
Im losing control.
I wanna rock and roll.
But everything I planed just sliped right through my hand.
I dont know why.

Im a nice guy.
I wanna take it easy baby
But every time I start my world falls apart.
I dont know why.

The world is feelin' like it's passin' me by i'm fixin' to lose
it but I dont know why.

Check me in.
I wanna be your friend.
I wanna be your lover baby
But everything I say comes out the wrong way
I dont know why.

So I guess i'll let it slide by.
I wanna take it slowly honey.
I'm feelin' like a fake every move I make.
I dont know why.

The world is feelin' like it's passin' me by i'm fixin' to lose
it but I dont know why.

Again and again and again and again I try. im fixin to lose and
I dont know why

The world is feelin' like it's passin' me by i'm fixin' to lose
it but I dont know why.
