Frigid

From such a tender age I let you in To mess with my insides I don't regret a thing And I don't care if you're confused Please hold my hand Grip the railing I still don't understand Twenty metres above the ground, took off my disguise I never thought of kissing you is that such a surprise I think you've heard my song before Won't make you hear it again Don't wanna hear about your girl Got my own best friend And if you wanna hear a tune we'll grab a bite Take your quotation marks away I got my pride I got my pride I ate my mushroom goop You were laid-back We tried to reinvent ourselves We're getting off the track And I don't care if you're confused Please hold my hand Grip the railing I still don't understand I think you've heard my song before Won't make you hear it again Don't wanna hear about your girl I've got my friend And if you wanna hear a tune we'll grab a bite Take your quotation marks away I got my pride I got my pride

I got my pride
