

# Gamble Everything For Love

Ben Lee

Gamble everything for love  
Gamble everything  
Put it in a place you keep what you need  
You can gamble everything for love if you're free  
You gotta gamble everything for love

Baby are you cold?  
Are you cold baby I could wrap you up  
Wrap you up in my love  
If you wanna you can gamble everything for love  
If you wanna you can gamble everything for love

Tell me are you feeling lost? have you crossed  
Into places that you never knew to get through?  
Tell me are you gonna cry all night?  
Tell me the truth and ill tell you the truth  
If you gamble everything for love  
You're gonna be alright  
Alright

Make a list of things you need  
Leave it empty  
Except for number one - write love,  
Gamble everything  
Keep it under lock and key  
If you wanna you can gamble everything for love

Love me with an open heart  
Tell me anything  
We can find a place to start to gamble everything  
We can set this thing apart  
Cos were gonna  
Gonna gamble everything for love

Tell me do you lose your way each day?  
Are there people you don't recognize?  
Do they lie?  
Tell me do they make you feel too real?  
Tell me the truth and ill tell you the truth  
If you gamble everything for love  
You're gonna be alright  
Alright

You can go your own way  
You can go your own way  
You gotta go your own way  
If you gamble everything for love  
If you gamble everything for love

Gamble everything for love  
Gamble everything  
Put it in a place you keep what you need  
You can gamble everything for love if you're free  
You gotta gamble everything for love

Tell me are you getting hurt?  
Is it worth it?

Tell me are the people strange?  
Do they change?  
Tell me are you letting go?  
Do you know?  
If you gamble everything for love  
If you gamble everything for love  
If you gamble everything for love  
You're gonna be alright  
Alright
