

# Get Gotten

Ben Lee

Ok baby  
What'll it be?  
I asked my friends and they all agreed  
You're exactly the kinda trouble that I need

I've got songs that give  
I've got songs that prove  
Songs I use  
When I want to seduce  
And I want to seduce you  
Why wont you let me?

I wanna get you  
So get gotten  
I wont stop  
Till I get to the bottom  
I wanna get you  
So get gotten

I've got big big dreams  
In a small small world  
And I'm using god  
To pick up girls  
And I'm willing  
To put it all on the line

I've got words that destroy  
Words that build  
I use words  
And I feel no guilt about it  
I've got words that got bump in the night

It's no secret  
That ive fallen  
I wont stop till I get to the bottom  
It's no secret that I've fallen

Cos first you're ripe  
Then you're rotten  
Don't stop till you get to bottom  
First you're ripe  
And then rotten

Once I knew  
But I've forgotten  
I'll find out when I get to the bottom  
Once I knew  
But I've forgotten

I wanna get you  
So get gotten  
I wont stop till I get to the bottom  
I wanna get you  
So get gotten
