

# Love Me Like The World Was Ending

Ben Lee

This is the first day of the future,  
And all i want is you.  
I wear a pair of socks you left here.  
But i know, i know, i know, nobody could ever fill your shoes.  
I can see so clearly when your smoke gets in my eyes.  
Please me with your promises and hurt me with your lies.  
Baby can you hear the message i am sending?  
Love me like the world is ending.  
This is the last day of existence.  
And all i want is you.  
There's a certain sadness.  
But i know, i know, i know, the sky is what makes the ocean blue.  
I can see so clearly when your smoke gets in me.  
Please me with your promises and hurt me with your lies.  
Baby can you hear the message i am sending?  
Love me like the world is ending.  
And they all say to pour it has to rain  
So don't complain if we get wet in the deep end.  
I can see when your smoke gets in my eyes.  
Please me with your promises and hurt me with your lies.  
Baby, can you hear the message i am sending?  
Love me like the world is ending.
