

Amazing

Ben Rector

Baby you're so wonderful thought I'd let you know
And all of the other ladies are somewhere below you

Baby you're so wonderful thought I'd let you know
And all of the other ladies are somewhere below you

And I-I-I-I-I I don't know why-y-y-y-
y it took this time to say these words

And I've got more questions than answers but there's one thing
I know
When I'm with you I feel like dancing up and down this road
And I've got more questions than answers but there's one thing
I know
When I'm with you I feel like dancing up and down this road

And I-I-I-I-I I don't know why-y-y-y-
y it took this time to say these words
And I-I-I-I-I I don't know why-y-y-y-
y it took this time to say these words

And oh sometimes I try to hold this back but I know I want more
and I will stand here until I let you know until I let you know
w

Oh oh
Until I let you know until I let you know

Now I know why it took this time to say these words
I know why-y-y-y-y it took this time to say these words
