

Never Gonna Let You Go

Ben Rector

Let You Go, Let You Go,
Let You Go, Let You Go.

We went down to the water,
So help me father,
I believe, I fell in love.
Since the day we met,
Where you're all I'm dreaming of.
With your eyes so blue,
That the sky in June
May as be shade to gray.
Well all I know to say is.

Baby, I am never gonna let you go.
Baby, I am telling everyone I know.
Though the storm may come or the wind they blow.
Baby, I am never gonna let you go

Well, I wanna meet your mother,
Your sister and your brother,
Shake the hand of your daddy too.
'Cause I need his permission,
For what I'm wishing to do.
Ain't no secret dear,
That I want you near,
By my side 'til my dying day,
And I promise you always, listen baby.

Baby, I am never gonna let you go.
Baby, I am telling everyone I know.
Though the storm may come or the wind they blow.
Baby, I am never gonna let you go

Never gonna let you go,
I'm telling everyone I know.
Though the storms may come,
or the wind they blow. Ohh yeah.

Baby, I am never gonna let you go.
Baby, I am telling everyone I know.
Though the storm may come or the wind they blow.
Baby, I am never gonna let you go. Ohh yeah.
