

# Sailboat

Ben Rector

I feel just like a sailboat  
Don't know where I'm headed  
But you can't make the wind blow  
From a sailboat  
I've seen the sun  
Felt the rain on my skin  
I've been lost and found  
But mostly I've been waiting

Oh, I'm out in the waves  
And I'm hoping and praying  
Please let this wind blow me home  
Night after night  
There's an empty horizon  
My God, do I feel so alone  
But sometimes life  
And most times  
I feel just like a sailboat

And I'm pretty sure I'm heard  
At least I know I'm speaking  
But I feel like a fool  
Cause I can't hear you listening  
But I'm not giving up,  
Oh, I'm gonna move on forward  
I'm gonna raise my sail  
God knows what I'm headed towards

Oh I'm out in the waves  
And I'm hoping and praying  
Please let this wind blow me home  
And night after night  
There's an empty horizon  
My god do I feel so alone  
Sometimes life  
And most times  
I feel just like a sailboat

Only change I see  
Lost or found at sea  
The only difference  
Is believing I'll make it in

Oh I'm out in the waves  
And I'm hoping and praying  
Please let this wind blow me home  
And night after night  
There's an empty horizon  
My god do I feel so alone  
Sometimes life  
And most times  
I feel just like a sailboat
