Ben's Brother

Shouting down an answer phone
a thousand miles from you
why's the world a combat zone
that I'm a stranger to?

And I don't know where to go
I don't know what to do
tell me how I find my way back home

Absence makes the heart grow cold
no matter what they say
especially when the one you want
is half the world away

And I don't know where to go
I don't know what to do
I don't know where to go
I don't know what to do

I don't know where to go
I don't know what to do
someone tell me how I get back home
to you
