

# Feel Alive

Benassi Bros.

uh uh uh uh uh

You can tell  
When you are feeling love

And I can tell  
That there is something in your eye

It's a tear, it's a tear  
Falling down

It's a tear, it's a tear  
Drying out

When you feel...  
When you feel...

When you feel alive  
Do you feel alive  
When you feel alive  
Do you feel alive

I can tell  
That you are in love

And I know  
What that little drop is in your eye

It's a tear, it's a tear  
Of happiness

No more fear  
No no more fear of loneliness

Do you feel  
When you feel

When you feel  
When you feel

When you feel alive  
Do you feel alive  
When you feel alive  
Do you feel alive

When you feel alive  
Do you feel alive  
When you feel alive  
Do you feel alive

I am burning, with this love  
I am burning, is it love  
I am burning, with this love  
I am burning, is it love
