

# For Each Remembered Name

## Beneath The Sky

There is a list of names  
All written in a book.  
I know that every year I take a look.  
These names are a part  
Not of the book they're written in  
But in my very heart

My life is so much better  
Than it was before you came.  
My life is so much better  
Than it was before you came.

Once you've known someone the years cannot erase  
The memory of a pleasant word  
Or of a friendly face.  
When I send out my love,  
That's addressed to you,  
'Cause you're on the list of names  
I am indebted to  
When I send out my love,  
That's addressed to you,  
'Cause I have a list of names  
And I included you.

It's only the thought that counts  
(The thought that counts)  
It's only the thought that counts  
(The thought that counts)  
Every year I realize  
The biggest gift that God can give  
Is knowing people just like you.  
I feel composed of each remembered name.  
You may not be aware  
Of feeling quite the same  
[Repeat]

Whether I've known you many years or few  
You will always have a part  
In shaping the things I do

It's only the thought that counts  
(The thought that counts)  
It's only the thought that counts  
(The thought that counts)  
It's all for you, it's all for you.
