

# Ashes To Ashes

Benedictum

Bow down at the feet of mercy  
Crying your dreams in the dark  
I know the truth, that's what hurts me  
My very own life is tearing me apart

Now when you look at me  
You won't like what you see  
It's not reality  
It's tragedy, tragedy, tragedy

And when you look inside  
You won't like what you find  
You'll see it's all a lie  
It's tragedy, tragedy, tragedy

Ashes to ashes  
Dreams are falling to the ground  
Ashes to ashes  
We all fall down

Kowtow to beast of conformity  
Twisting your life in the wind  
I know the depth of depravity  
I never win, I never win, I never win

Now when you look at me  
You won't like what you see  
It's not reality  
It's tragedy, tragedy, tragedy

And when you look inside  
And when you're coming nigh  
You'll see it's all a lie  
It's tragedy, tragedy, tragedy

Ashes to ashes  
Dreams are falling to the ground  
Ashes to ashes  
We all fall down
