

God Save the Jungle

Benjamin Clementine

Welcome to Jungle dear, where tensions do amount
And kids must grow as quick as possible
Welcome to Jungle dear, risk it on a tooth or bone,
As you carry along: come on run, run to the roads!
Welcome to Jungle dear, where lorries are chariots
Railways, stairways, stairways to heaven, Heaven as Britain

O Alien!
O Alien!
O Aliens on foreign land again
Better beat it or go back home
Cause if they find you they will kill you!

God Save The Jungle!
Welcome to the Jungle dear!
Take all you need, make sure you leave some behind
Welcome to the Jungle, Welcome to the jungle
God Save The Jungle!
