Don't Go Slow

Benjamin Francis Leftwich

Don't go slow
You'll miss all the things that you need
Your love and heat
Runs from your head to your feet

I saw you first
In the car on the way to the lake
I kept you there

If my bones were wrapped around you My skin was right in front of you Would you smile and close your eyes? I'm yours tonight

If you stay
I promise to keep it alight
For all these days

When you fell Like a feather from out of a plane You've got time.

If my bones were wrapped around you If my skin was right in front of you Would you smile and close your eyes? I'm yours tonight

If my bones were wrapped around you If my skin was right in front of you Would you smile and close your eyes? I'm yours tonight
