

## Every Single Day

Benny Benassi

Hey guy - you're the one for me  
Your face - the sweetest thing I've ever seen  
Stop by - dedicate to me  
Your time - your time

At night - it really gets to me  
I find nobody is here with me  
Stop by - say you'll stay with me  
You're the one I really miss

Every single day - single hour  
I can see your face - single day  
Every single day - single hour  
I can see your face - single day  
Every single day - single hour  
I can see your face - single day  
Every single day - single hour  
I can see your face - single day

Hey guy - you're the one for me  
Those eyes - the loveliest I've ever seen  
Stop by - Just to say to me  
You're mine - you're mine

This time lay some love on me  
I'm blind - to anything surrounding me  
so fine when you're next to me  
You're the one I can't resist

Every single day - single hour  
I can see your face - single day  
Every single day - single hour  
I can see your face - single day  
Every single day - single hour  
I can see your face - single day  
Every single day - single hour  
I can see your face - single day
