

Ride To Be My Girl

Benny Benassi

Ride to be my girl
Top on mine
Push and shove
Ride me all around
All you can
Rise above

You gotta ride,...to,...be,...fun
You gotta love... me
Come... right
You gotta ride

Ride to be my girl
All the time
Making love
Ride me up and down
Feel my hands
Make you come

You gotta ride... to... be... fun
You gotta love... me
Come... right
You gotta ride

Ride to be my girl
Sweaty shine
On me rough
Ride me with your sound
Fly and land
Give it up

You gotta ride,..to,..be,..fun
You gotta love.. me
Come.. right
You gotta ride

Ride to be my girl
All your skin
Want to clutch
Ride me really hard
Feel you in
Feel your muff

You gotta ride,..to,..be,..fun
You gotta love.. me
Come.. right
You gotta ride
