Turn Me Up

Benny Benassi

Kissss...

Play the music, play the music You got the love I like I got to have you now You're my emotions Don't leave me hangin' round Baby please, Why don't you understand I only want to be your friend You are my sweet release I got to have you now You are my affection Don't leave me breakin' down Everybody in the world should hear what I'm saying Cause I wanna scream it to the world today Turn me up up up up up up up Turn me down Turn me down Turn me down Turn me down Play the music, play the music Play the music, play the music You are the man for me I got to have you now You got the power Don't leave me on the ground. Touch me babe, You really turn me on No no don't leave me on my own ! You are my one desire I got to have you now, I need your action, I'm gonna say it loud, Everybody in the world should hear what I'm saying 'cause I wanna scream it to the world today Turn me up up up up up up up Turn me down Turn me down Turn me down Turn me down
