## It's Been So Long

'Cause it's been so long Since I held you tight When we said good night It's been so long Honey, can't you see What you've done to me? I've been in a kind of daze For days and days and days Feelin' blue, missin' you In, oh, so many ways 'Cause it was so nice When we had that date Every night at eight It was so nice Then we said good-bye What a fool was I Let me get back in your arms where I belong 'Cause it's been, oh, so long
