

# There'll Be Some Changes Made

Benny Goodman

They say, 'don't change the old for the new'  
But I've found out this will never do  
When you grow old, you don't last long  
You're here today and then tomorrow you're gone  
I loved a gal for many years gone by  
I thought her love for me would never die  
She made some changes that would never do  
From now on I'm goin' to make some changes too

For there's a change in the weather  
There's a change in the sea  
So, from now on there'll be a change in me  
My walk will be different, my talk and my name  
Nothin' about me is goin' to be the same  
I'm goin' to change my way of livin' if that ain't enough  
Then I'll change the way that I strut my stuff  
'Cause nobody wants you when you're old and gray  
There'll be some change made

They say, 'the old time things are the best'  
That may be very good for all the rest  
But I'm goin' to let the old things be  
'Cause they are certainly not suited for me  
There was a time when I thought that way  
That's why I'm all alone here, today  
Since everyone of these days seeks something new  
From now on I'm goin' to seek some new things too

For there's a change in the fashions  
Ask the feminine folks  
Even Jack Benny has been changing jokes  
I must make some changes from old to the new  
I must do things just the same as others do  
I'm goin' to change my long, tall mama for a little short fat  
Goin' to change the number where I live at  
I must have some lovin', or I'll fade away  
There'll be some changes made
