An Ordinary Day

It began just like another ordinary day, and an ordinary way
I watched you hurried by, you looked so shy
It began just like another ordinary day, and an ordinary way
I watched you hurried by, you looked so shy
It began just like another ordinary day, and an ordinary way
I watched you hurried by, you looked so shy
It began just like another ordinary day, and an ordinary way
I watched you hurried by, you looked so shy
I watched you hurried by

I watched you hurried by
