

## Always Behind A Smile

Benton Falls

Ten years and you're back again.  
But i don't want to go back to this.  
These kids were not my friends.  
High school memories just like a kiss.  
Forget how they laughed.  
Forget how i cried.  
Forget everything.  
Forget how i lied to myself.  
Just like a kiss.  
And i can't forget how it was.  
Just like a kiss.  
And i can't forget my discomfort.  
I'll never forget hiding behind this smile.  
I never intended to let them see me while i was afraid.  
Always hiding behind something.  
That something's changing all the time.  
It seems i'm crying about nothing.  
Or maybe it's something i kept inside of myself.
