

Coastal far away.
that's where i left you.
far away.
i wish that i had stayed.
far away.
how can i get to you.
and i follow.
from miles behind you.
separated by miles.
but i will find a way to get there.

you're on that bus and out of here.
and i follow.
from miles behind you.
just east of texas.
that's where i'll be.
young child defenseless.
don't forget me
