

## Coastal

Benton Falls

Coastal far away.  
that's where i left you.  
far away.  
i wish that i had stayed.  
far away.  
how can i get to you.  
and i follow.  
from miles behind you.  
separated by miles.  
but i will find a way to get there.  
i hesitated and you smiled.  
you're on that bus and out of here.  
and i follow.  
from miles behind you.  
just east of texas.  
that's where i'll be.  
young child defenseless.  
don't forget me
