

Just Say No

Beres Hammond

Woman don't be blind,
Can't you see a man like me is one of a kind.
How yu fi do that.
You don't know say the gargamel wouldn't leave you.
'Cause yu nu se, you are me little poolu,
Hear me say to you.

Woman in the middle of the night,
When the mood is right,
Hold me tight, let's not fight,
Rock till broad daylight.
Stretch over, reach over, turn of the light.
Mek me embrace yu body with all me might.
De little love that I have,
I wanna give you it right.
Don't put up a resitance,
A begging you please don't fight.

Work mek me a fi tan out late last night,
Wuk the evil money fi yu ever look right.
Water bill got to pay,
no bother mention the light.
You friend say she see me.
But she tell lie fe spite.
A guess a true she want a wear off,
A you air Nike.

In the middle of the night, when the mood is right,
Hold me tight, let's not fight,
Sweat till broad daylight.
In the middle of the night, when the mood is right,
Hold me, hold me, hold me, hear why ...

I've been working hard all day, doing over time.
Sweat and strain just to keep you in line.
You should a know that I'll never leave you.
And that all they've been spreading is rumour,
They gonna make you all kinds a offer,
Just say no.

Hear me say,
She say I'm not Mr Right, but Mr Ok will do,
From me no mek the money, bills overdue.
Now I go home late woman, a wrinkle and a screw.
Turn her back ina de bed, no respect no due.
You should a hug me up and kiss me,
till me face turn blue.
Come off a love lane, gone pon avenue.
Hush ya me chulululupoolu.
Gal you should a know,
Buju Banton nah leave you.

Woman, in the middle of the night,
When the mood is right,
Hold me tight, let's not fight,
Sweat till broad daylight.
in the middle of the night when the mood is right,

Hold me, let's not fight ...

I'm a man who would try the impossible,
It's up to you now,
to break down all obstacles, girl.
You should a know that I'll never leave you.
And that all they've been spreading is rumour,
They gonna make you all kinds a offer,
Just say no.

Hear wha she should a do,
Stretch over, reach over, turn of the light.
Mek me embrace yu body with all a me might.
De little love that I have,
I wanna give you it right.
Don't put up a resitance,
A begging you please don't fight.

Work mek me a fi tan out late last night,
Wuk me evil money fi yu ever look right.
Water bill got to pay, no bother mention the light.
Woman a say she see me, but she tell lie fe spite.
A guess a true she want a wear off,
A you Scotch brite.

In the middle of the night when the mood is right,
Hold me tight, let's not fight,
Sweat till broad daylight.
In the middle of the night when the mood is right,
Hold me, hold me, wha she say Beres ...

She said that all men are notorious liars,
From my world she just wanba retire,
She didn't know that I'll never leave her,
And that all they've been spreading is rumour,
They gonna make her all kinds a offer,
She better say no.

Woman, in the middle of the night,
When the mood is right,
Hold me tight, let's not fight,
Sweat till broad daylight.
In the middle of the night,
When the mood is right,
Hold me, hold me, hold me, hold me.

She say I'm not Mr Right, but Mr Ok will do,
Who from me no mek the money bills overdue.
Now I go home late woman a wrinkle and a screw.
Turn her back ina de bed,
Like no steam fish no due.
You should a hug me up and kiss me,
till me face turn blue.
Come off a love lane, travel pon avenue.
Hush ya me chulululupoolu.
Gal you should a know,
Beres Hammond nah leave you.

Woman, in the middle of the night,
When the mood is right,
Hold me tight, let's not fight,
Sweat till broad daylight.
In the middle of the night,

When the mood is right, hold me, hold me ...

Working hard all day, doing over time.
Sweat and strain just to keep you in line.
You should a know that, I'll never leave you.
And that all they've been spreading is rumour,
