

Queen And Lady

Beres Hammond

Don't even know where to start
Don't even know where to start
Talking about you
Might as well I tell you about the thoughts that I've been hiding
A list so long I hardly know where to start
Don't be offended if I tell you
You're a hell of a kind a woman
And you do something special to my heart
I see you as a queen and a lady
No ifs, no buts, no maybe
The only thing sweeter than my honeycomb
Keep up as the same queen and lady
Keep it standing steady
The only thing sweeter than my honeycomb

And now let me tell you what a joy it is to have you
And no two people in the world could be the same
You provide me with inspiration
I know I'm in the right direction
You're always there come sun, come ah rain
See you as a queen and a lady no ifs, no buts, no maybe
The only thing sweeter than my honeycomb
Keep up as the same queen and lady keep it standing steady
You're the only thing sweeter than my honeycomb

Don't change it
No don't change it
Don't change it
No don't change it

Might as well I tell you about the thoughts that I've been hiding
A list so long I hardly know where to start
Don't be offended if I tell you
You're a hell of a kind a woman
And you do something special to my heart
I see you as a queen and a lady
No ifs, no buts, no maybe
The only thing sweeter than my honeycomb
Keep up as the same queen and lady
Keep it standing steady
The only thing sweeter than my honeycomb
