

Looking at my little dress  
Does it make you wanna take me now  
And grab me with emphasis  
Then you're gonna have to chase me down

And you won't finish til I'm done  
And you won't quit it til I'm done  
And you'll never get enough  
And you'll bite til you draw blood

Can you feel the animal  
I feel it when you touch my body  
And you know what I really want  
I want my fill of you, oh oh oh

Can you feel the animal  
I feel it when you touch my body  
I'll leave you lying on the floor  
When I've had my fill of you, oh oh oh

So kiss me when you pull my hair  
I like it when you make it hurt  
I don't need a little boy  
If you want it then you're gonna have to work

And you won't finish til I'm done  
And you won't quit it til I'm done  
And you'll never get enough  
And you'll bite til you draw blood

Can you feel the animal  
I feel it when you touch my body  
And you know what I really want  
I want my fill of you, oh oh oh

Can you feel the animal  
I feel it when you touch my body  
I'll leave you lying on the floor  
When I've had my fill of you, oh oh oh
