

It's the Way

Berlin

Didn't know the way I was feeling
Didn't know what I was supposed to do this time
Lately I have felt like I have never
Feels like I'm losing my mind

Every time I think about it, I run away
Can you help me to the place

It's the way
It's the way you're moving in my heart, the way
You look into my eyes
Can I say
All the things you're feeling in your soul today
It's the way

I don't want to be your jailer
But I know that there is freedom in your love
I don't know if you're forever
If you'll hold me through the good and bad

Cause when I think about you, I run away
Can you help me to the place

It's the way
It's the way you're moving in my heart, the way
You look into my eyes
Can I say
All the things you're feeling in your soul today
It's the way

I know you are the one
I know that it's begun
You're the love of my life forever more

It's the way
It's the way you're moving in my heart, the way
You look into my eyes
Can I say
All the things you're feeling in your soul today
It's the way
