

Rumor of Love

Berlin

You touched my hand
You started a rumor of love
Wanting to believe once again

You touched my heart
You started a rumor of love
Another dream that surely must end

Someone told me you never stay (stay)
I shook my head, turned around and walked away (away)

You touched my soul
You started a rumor of love
Trying to be your lover and friend

Someone told me you never stay (stay)
I shook my head, turned around and walked away (away)
Someone told me a rumor of love (love)
I need to know if it's me you're thinking of (love)

Someone told me you never stay (stay)
I shook my head, turned around and walked away (away)
Someone told me a rumor of love (love)
I need to know if it's me you're thinking of (love)
Someone told me you never stay (stay)
All I know is you're here with me today (today)
Someone told me a rumor of love (love)
Someone told me it's me you're thinking of (love)
