

Trash

Berlin

Feeling nervous, I'm feeling so strange
Just a prisoner wanting to escape
Let go of your body let go of your mind

A walk on the wild side calls you
Safety in numbers pulls you in
Let go of your body let go of your mind

Live a little trash - Make it fun make it fast
Live a little trash - You can live with your past
Live a little trash - Make it fun make it fast
Live a little trash - You can live with your past
Live a little

Live a little trash - Make it fun make it fast
Live a little trash - You can live with your past
Live a little trash - Make it fun make it fast
You can live with your past

This tug of war is useless
Why not have your cake and eat it too
A little bit naughty, a little risqué

One night living kamikaze
Dive in, do or die and make a splash
Then watch all the water run over the sides

Live a little trash - Make it fun make it fast
Live a little trash - You can live with your past
Live a little trash - Make it fun make it fast
You can live with your past

Live a little trash - Make it fun make it fast
Live a little trash - You can live with your past
Live a little trash - Make it fun make it fast
You can live with your past

Live a little trash - Make it fun make it fast
Live a little trash - You can live with your past
Live a little trash - Make it fun make it fast
You can live with your past
Live a little
