

You'll Never Know

Bernadette Peters

Darling, I'm so blue without you
I think about you the [Incomprehensible]
When you ask me if I'm lonely
Then I have only this to say

You'll never know just how much I miss you
You'll never know just how much I care
And if I tried, I still couldn't hide
My love for you, you ought to know
For haven't I told you so a million or more times?

You went away and my heart went with you
I speak your name in my every prayer
If there is some other way to prove that I love you
I swear, I don't know how
You'll never know if you don't know now
