You'll Never Know

Bernadette Peters

Darling, I'm so blue without you I think about you the [Incomprehensible] When you ask me if I'm lonely Then I have only this to say

You'll never know just how much I miss you You'll never know just how much I care And if I tried, I still couldn't hide My love for you, you ought to know For haven't I told you so a million or more times?

You went away and my heart went with you I speak your name in my every prayer If there is some other way to prove that I love you I swear, I don't know how You'll never know if you don't know now
