

Love Is Free

Bernard Allison

I've got so much love to give
Too much to keep for me
I want to share my love with you my dear
You and me together loving each other forever

Love is free, satisfaction has a price
(Love is free, Whooooooooo)
I want to make you happy for the rest of your life

I've been loving you a long, long time
And I can't seem to get you off my mind
And I always want you near would you please hear my plea
I want to love you all the time

Love is free, satisfaction has a price
(Love is free, Whooooooooooooooooo)
And you and me (You and me) will have true love for the rest of
our lives

In my heart now's the time
I've got so much love for you baby
Please say you will always be mine
Wherever you are, (Wherever) wherever you are, (Wherever) I want
to be with you, me dear
Talking, walking, sleeping, even dreaming
(Talking, walking, sleeping, even dreaming)

Love is free, free as the breeze
(Love is free, Whooooooooooooooooo)
The special feeling I have for you honey
For you I'll love the rest of my life
