

Stay

Bernard Butler

These days are wastin' away
The kind I'd rather save

Don't go, stay
Don't go, stay

I, I hope it don't rain
The sky is laughing again

Don't go, stay this time
Don't go, just stay this time

I know I've gotta move with the times
For you to be mine, for you to be mine

I tried to believe what you say
That you won't change if you just stay

Don't go, stay this time
Don't go, just stay this time

You remember that fears on your side
Good people gonna keep you alive

You remember the tears in my eyes
When all the things you do it blow your mind

Don't go, stay this time
Don't, don't go, stay this time

Stay, stay, don't go, stay
Don't go, don't go, stay
