Bernard Butler

Stay

These days are wastin' away The kind I'd rather save Don't go, stay Don't go, stay

I, I hope it don't rain
The sky is laughing again

Don't go, stay this time Don't go, just stay this time

I know I've gotta move with the times For you to be mine, for you to be mine

I tried to believe what you say That you won't change if you just stay

Don't go, stay this time Don't go, just stay this time

You remember that fears on your side Good people gonna keep you alive

You remember the tears in my eyes When all the things you do it blow your mind

Don't go, stay this time Don't, don't go, stay this time

Stay, stay, don't go, stay Don't go, don't go, stay
