

Knock Phone

Berner

I made a million dollars on this knock phone
And this the only number that I'll talk on
I'm in the spot sendin packs till they're all gone
I made a million dollars on this knock phone

I want it all I can't hold back, I spend too much I need that b
lack on black
High speed chase watch me run em again I do a buck 25 with a gu
n in my hand
Everytime I land there's a badge in my face, do you have any ca
sh which bag did you claim
I wake up and let the package arrive 25, 900 a lil short that's
fine
I'm true to it I'm in love with the rush, these police dirty li
ke the money I touch
Kingsize paper no need for a cruch, I lost a half a mill cash o
n that truck last month
Real shit most people will snitch, I keep a small circle fulla
coke dealers and pimps
Chrome rims try to see through the tint, tripple sealed wrapped
I ain't leavin a scent

I made a million dollars on this knock phone
And this the only number that I'll talk on
I'm in the spot sendin packs till they all gone
I made a million dollars on this knock phone

I'll take 25 off if you take 200, 600, 000 off just one run
Lungs fulla kush I won't waste one crumb, I let doobie smoke ti
ll the j burns my thumb
Six burnouts not one in my name, five states in two nights we d
on't hustle the same
I make movies flatscreens surround my jacuzzie, beach house in
new hampton for rappin and sellin pussy
Grow houses all through my city, them eight inch heels make yah
ass look pretty
Every few weeks I get a brand new line I seen killas switch up
when looking at time
I been hustlin ain't much changed, but my chain, gimme brain I'
m Pullin on her hair while I'm swervin outta lanes
I'm young rich and wild how the fuck can I complain I was only
16 when they threw me in tha game

I made a million dollars on this knock phone
And this the only number that I'll talk on
I'm in the spot sendin packs till they all gone
I made a million dollars on this knock phone
