

## Like Mine

Berner

Know a lot niggas run around say they rapping the game homie  
Know they not like mine  
I'm the type of nigga that will go out and spend anything on you  
As long as it's not my time  
I'm the smoking weed and chilling and living life like a player  
I'm the smoking weed and throwing this money all in the air

I'm smoking and I'm chilling, I'm drinking and I'm driving  
I'm partying in Vegas, until the sun rises, you should try it  
I'm a wake up in the morning, break it down and roll it  
And let them get a bit of this player shit I'm holding  
6 in the morning, she don't wanna go home  
I rock the 2 12 with the wood grain on the chrome  
I let the money talk for me, I don't answer my phone  
It's me and 3 dances heading back to my home  
I got a shoebox full of cash, new kicks and a bag  
I spent 22 grand for this shit in my hand  
I'm into flexing, I got a yellow bone out in texas  
That loves to send me butt naked pictures  
Wassup to my cousin in Santa Rosa  
My girls in Arizona, got a girl in Minnesota  
She a crazy little stoner  
I got 3 cribs, 3 big ass houses, kick my shoes off  
Flat screen, Italian couches
