

Me & You

Berner

Let me holla at you

Everybody stressing and the question I'm too fresh
And know I wanna test em, yeah I'm guessing else you're shooting next,
Groupies bust it up and well I'm tumming through shelve checks
I love my hoe chick she is got me this Rolex,
Addict in this Louie shit, homie you smoke less,
I wrote 20 joints to the neck, lead the house with the vest
40 count my... and my deck bay shit,
I'm a rapper my vet, a white stones on my neck,
Puertorican bitch, pretty as hell
And as we got the craziest smell,
Ain't no way I'ma fail,
I'm spending out the day in the jail,
Big fish in the game I'm aware
20 packs in the mail, all that lean got your face off pale
White ghost I'ma tell, but I'll make bell,
If the feds really trying to f*ck me,
I'll tell the judge to suck me,

Hook:

I'm getting dope money, I'm counting blow money
I love the whole money, I love the whole money
Me and you, me and you, me and you, me and you
Me and you, me and you, me and you, me and you.
I'm getting dope money, I'm counting blow money
I love the whole money, I love the whole money
Me and you, me and you, me and you, me and you
Me and you, me and you, me and you, me and you.

Court in the morning, bout to born on Friday
I buy some new joints porn lean on the highway
She 'cause me the devil I'm a hell of an asshole
If you ain't about that show, I'll probably flass show,
25 packs oh, today was a good day,
I ain't lose no one close to me, now let's pray
And God watch over me, while I hustle baby,
Think about her future wife, f*ck just let me tell you why I love you
And dedication is the key
You and the... celebrating with me
They're trying tell you to leave
They told you that I sold you a dream,
You just love selling p**sy for me,
Fresh deep new MC drift me, while the good shit burns,
Hold the kush smoke in, then my hoe teen serves,
And if the feds really trying to f*ck me,
I'll go to try with dirty money.

Zero game, no... , no charm,
I'm always an alien to deserve clean
When you see me with two bitches on both armies,
I care with checks... locks,
And all I ever wanted in life was a verse from SNoop
A pitch quick line in my pitch...
And I'ma get her pimpin', it's like the... open in the air
Turning into a pimp stick before I hit the ground and grew with,
And not a physically hit,

It's the recognition from the top to the block to the... , isn't it bitch?
And I ain't used to... I'm telling you man, I used to guess,
What I'm a fool to... ?
So move your... any play, I'm using...
They just game my home boy 35 year from dropping the bitch... human traffic,

They're gonna... bitch you feel good, don't you?
But you won't have a luxury like me when you want to
So f*ck a bitch, I was watching family a few... said
Name one thing you do early in the morning, man...
