

# Abigail

Bertine Zetlitz

Beautiful Abigail's got demons in her pockets  
And I, I, I, I  
Have seen her chasing down the hall  
Beautiful Abigail's got diamonds in her sockets  
And I, I, I, I  
Have seen her walking through the wall  
Who do you call  
What do you call it  
Who do you call when something goes wrong  
Abigail  
Abigail  
Abigail  
Abigail  
Beautiful Abigail she's done a lot of thinking  
And I, I, I, I  
Will always fear her kind of grin  
Beautiful Abigail is very happy sinking  
And I, I, I, I  
Will crumble when I win  
Who do you call  
What do you call it  
Who do you call when something goes wrong  
Abigail  
Abigail
